Title:	Working Group on Working Conditions on European Doctors		
Author:	CESM		

Title: Working Group on working conditions of European doctors.

Agenda: First meeting of the Working Group will be in Vienna May 8, 2015 (14: 00- 16:00)

Purpose of meeting:

Gather the information of the 3 questionnaires sent and answered.

Draw conclusions of the information obtained.

Request the other delegates who have not responded the 3 questionnaires, to do so as soon as possible.

Discussion on other topics of interest related to working conditions of European doctors.

Discussion on the desirability of developing new surveys to obtain more information about other matters of interest.

Discussion on whether to hold another meeting before the next General Assembly of FEMS to take place in Poland in October 2015.

Proposal for the next meeting of the Working Group during the next General Assembly FEMS (Poland, October 2015).

Final goal of the Working Group: Obtain the maximum information possible on the topics of most interest among the European delegations of FEMS, in order to establish minimum requirements of the working conditions of European doctors (e.g. opt-out clause, working time limits, day off, on call duties, career development, etc.)
