Candidacy of Dr. Harald Mayer, Austria, for FEMS Vice-President

Dear Colleagues,

Herewith, the Austrian Medical Chamber would like to nominate Dr. Harald Mayer as a candidate for the office of FEMS Vice-President at the upcoming elections.

After graduation from the Medical University of Vienna in 1988, Dr. Harald Mayer has undertaken specific training and subsequently worked in trauma surgery.

Dr. Mayer started his political career in 2001 as chairman for the body for employed doctors of the Medical Chamber of Upper Austria. Furthermore, Dr. Mayer acts as chairman for the Federal body of employed doctors of the Austrian Medical Chamber since 2003. In 2007 he has been elected as second Vice-President of the Austrian Medical Chamber; from the same year he has been acting as head of delegation for FEMS.

The Austrian Medical chamber feels that Dr. Mayer's longstanding experience, amongst others 11 years acting as representative of the medical profession in Austria, as well as in political matters will be a valid contribution to FEMS.

We kindly ask you to support Dr. Mayer's candidacy for Vice-President of the FEMS.

Yours sincerely,

Dr. Artur Wechselberger
President of the Austrian Medical Chamber
