

EPHA

European Public Health Alliance

Who are we?

- ▶ EPHA is a change agent – Europe's leading NGO advocating for better health. We are a dynamic member-led organisation, made up of public health NGOs, patient groups, health professionals, and disease groups working together to improve health and strengthen the voice of public health in Europe. EPHA is a member of, among others, the Social Platform, the Health and Environment Alliance (HEAL), and the EU Civil Society Contact Group.
- ▶ **Our mission** is to bring together the public health community to provide thought leadership and facilitate change; to build public health capacity to deliver equitable solutions to European public health challenges, to improve health and reduce health inequalities.
- ▶ **Our vision** is of a Europe with universal good health and well-being, where all have access to a sustainable and high quality health system: A Europe whose policies and practices contribute to health, both within and beyond its borders.

What are our values?

- ▶ Equity - Solidarity
- ▶ Sustainability - Universality
- ▶ Diversity - Good governance

EPHA has 104 members from 30 countries of the European region.

**Fédération Européenne
des Médecins Salariés**
European Federation
of Salaried Doctors

- Son but est de défendre au niveau européen les intérêts moraux et matériels des médecins travaillant sous subordination administrative, pour assurer à ces médecins et à leurs patients le plus haut niveau possible de conditions de travail, de salaires décentes, de développement professionnel continu, et d'indépendance diagnostique et thérapeutique vis-à-vis des administrations
