The European Federation of Salaried Doctors

Dear Sirs/Madams,

You are kindly requested to consider the admission of the Non-Governmental Organization of Belarusian Association of Physicians (Republic of Belarus) to the European Federation of Salaried Doctors (FEMS).

Our Association was set up in 1992. As of the beginning of 2017, the number of officially registered members of the association is about 9,000 persons, or about 25.0% of the total number of practicing physicians.

The main objectives of the Belarusian Association of Physicians are development of the corporate solidarity, mutual assistance, social and legal protection of medical professionals, assistance in vocational education and training of health care specialists.

The Belarusian Association of Physicians has been a member of the Southeast European Medical Forum (SEEMF) since 2011. We hope for mutually beneficial collaboration in the future.

Yours faithfully,

Chairman

D. SHEVTSOV
