Dear Dr.Joao De Deus

05/05/2021

President of FEMS,

Dear president and the board members, due to the Covid epidemic that has been going on for about a year and a half, we cannot hold our meetings in person. I hope that thanks to the success of the various vaccines, we will achieve good results in combating the pandemic, and we can continue where we left off and meet face-to-face in Croatia and later in Austria.

As the Board of Cyprus Turkish Medical Association , we would like to organize Fems general assembly to be held in the autumn of 2022 and to host you all once again in our country.

As the board of directors, we hope you will consider our proposal and bring it to the agenda for approval.

Yours sincerely,

Dr Ahmet Ozant
