Subject: Candidature FEMS board: Christiaan Keijzer, second term  
Date: August 2021

Dear colleagues of the General Assembly, dear President,

On behalf of the board of the LAD, the Dutch union of salaried doctors, we hereby like to recommend Christiaan Keijzer for a second term as vice-president in the board of FEMS.

Christiaan has been active within the board as first vice-president for the last few years with great enthusiasm and effort. We see in him a great candidate to represent salaried doctors throughout Europe, as he did in the last few years. Next to that Christiaan is also active within CPME and can help strengthen the already good relationship between FEMS and CPME.

We hope the General Assembly can support our recommendation.

If you have any questions or remarks about our recommendation, please contact FEMS policy advisor, Hanneke Verheijde, through [h.verheijde@dejongespecialist.nl](mailto:h.verheijde@dejongespecialist.nl) or by phone 0031 63190 3087.

Kind regards,

Caroline van den Brekel  
Managing director LAD
