**Assunto:** Election of FEMS President

Dear Mrs. Voicu  
Dear colleagues,

At the upcoming General Assembly of FEMS, which will take place on the 24<sup>th</sup> and 25<sup>th</sup> of September 2021 elections will be held for the Board members.

On behalf the Portuguese Medical Association we present the candidature of Dr. João de Deus for a second term as President of FEMS.

Dr. João de Deus was President of AEMH for 3 mandates and in the last 3 years President of FEMS. By his experience and performance as leader of European Medical Organizations we strongly recommend him to a new mandate as FEMS President.

We are certain that such proposal will receive your best attention.

Best regards,

President of the Portuguese Medical Association

Dr. Miguel Guimarães
