Board and General Assembly of the
European Federation Of Salaried Doctors (FEMS)

Subject: Nomination dr. Christiaan Keijzer
Date: May 21, 2024
Contactperson: Nelleke Starink
Telephone number: +31 88 134 41 00

Dear members of the Board and General Assembly,

As you know, dr. João de Deus will end his term as president of FEMS. The Dutch Association of Salaried Doctors (LAD) is happy to nominate dr. Christiaan Keijzer to succeed him. At this time dr. Keijzer is 1st vice president of FEMS in his second term.

Since February 14, 2019, Christiaan Keijzer has been an honorary member of the LAD. He has been committed to the LAD for years. He has been a board member since January 2010. In September 2012 he became treasurer, and from June 2014 to January 2019 he was chairman. He has shown the same commitment to physicians at the European level (through FEMS and CPME).

In addition to his work as an anesthesiologist and training director of anesthesiology and in addition to and outside his work for the LAD, Christiaan Keijzer has made himself professionally and administratively very worthwhile within the healthcare sector. A selection of his activities:

- Board member of the Dutch Society for Anesthesiology;
- Trainer and examiner. In 2019 he received the Best Trainer of the Netherlands award from De Jonge Specialist;
- Member of the Healthcare Disputes Tribunal;
- Member of the admission committee for Highly Specialised Care and Research of the Ministry of Health, Welfare and Sport;
- Board member, treasurer and vice-chairman of the Royal Dutch Medical Association (KNMG);
- Various international board functions including the European Society of Anesthesiology, FEMS and CPME (Standing committee of European Doctors, President).

Yours faithfully,

Suzanne (S.J.) Booij MD PhD LLM
President of LAD
