Prot. n. 103/2024/Snrm

SUBJECT: Candidature FEMS President 2025-2027 - Alessandra SPEDICATO

Dear President, dear Secretary General and dear Colleagues of the General Assembly, on behalf of Anaa Assomed - Italy, I am pleased to present the candidature of Dr. Alessandra SPEDICATO as FEMS President from 2025 to 2027 in the upcoming elections that will be held in Rome, during next GA on the 4th and 5th of October 2024.

Alessandra has been active in FEMS since 2014 and has made a lively and significant input to the Association by developing studies and surveys on important trade union issues: Medical Liability (*Rotterdam 2017*), Working Time (*Lisbon 2018 and Riga 2019*), European Women Doctors' satisfaction (*Naples 2019*), Doctors' job satisfaction (*Austria 2022*), White Book (*Berlin 2024*).

In Europe, Alessandra has represented Italy also in the European Junior Doctors' Association, ensuring the continuity of relationships between new generations of doctors and current professionals. In Italy, Alessandra keeps contributing to national trade union activity.

I am sure that her education and expertise will be able to strongly contribute to the growth of FEMS.

I hope the General Assembly will support Alessandra Spedicato as FEMS President.

Kind regards

Pierino Di Silverio  
Anaa Assomed National Secretary
