<b>Title:</b>	<b>Treasurer Report FEMS General Assembly, 4-5 October 2024, Rome, Italy</b>		
<b>Author:</b>	<b>Jean-Paul Zerbib</b>		

my dear colleagues ,  
here is my treasurer report about the draft budget 2025 .

1- about incomes :

i put off the membership fee of SNR , which is leaving FEMS . It makes me sad , but every organization is free !

2- expenditures :

a /!permanent secretariat fees : I increased it of legal level in Belgium, (value august 2024 )

b/ white book. : I let zero€ as it will be in stand-by ; it can be adapted if necessary.

c/ lawyers , audit , notaries. : I let 10000€ as there will be probably new fees to pay in the next months so there would be a deficit of 11185€ ;

this year , i did not put the incomes coming from our money reserves ; in 2025 , they will be around 6300€ from our compte à terme and 2200€ for our livret A . So in reality, the deficit will be very low in 2025 .

our financial reserves are comfortable ; and represent a bit less than 4 years of annual expenditures.

i wish my best feelings to the next FEMS treasurer !

Dr Jean-Paul Zerbib.
