Assunto: Candidature Noel Carrilho | FNAM

Dear colleagues,

At the upcoming General Assembly of FEMS, which will take place on the 4th and 5th of September of 2024, elections will be held for the Board members.

On behalf of FNAM we present the candidature of Noel Carrilho as Secretary General of FEMS.

Dr. Noel Carrilho is an experienced and a longtime active representative at national and international level and we're certain his commitment to the cause of European Medical Doctors will be an added value to FEMS.

We hope this proposal will receive your best attention.

Best regards,

Joana Bordalo e Sá
